

Painting on laminate furniture and cabinets

Surface prep

1L TSP All Purpose Spray Cleaner (Home Hardware Number 1620-198)

Sand with 120 to 180 grit or fine sand paper. Clean surface with TSP Plus or Natura Safe Prep, rinse well if using TSP Plus. Let dry.

Primer

3.7L White Interior/Exterior STICK iT Latex Primer (Home Hardware Number 1850-793)

Cabinet & Furniture paint is self-priming so no primer is required. If you are not using Cabinet & Furniture then a primer would be required such as Stick iT. Sand between coats.

Topcoat

3.64L Cabinet and Furniture White Base Interior Acrylic Paint
(Home Hardware Number 1880-434)

Designer series Cabinet & Furniture Paint, as a note there are no bases for dark colours in the Cabinet & Furniture but it is available in Black and Espresso.

The instructions in this list are provided by Beauti-Tone.
